120 Years of Service to PHS

Fifty years ago, the great Mississippi writer, William Faulkner, won the Nobel prize for literature. In his acceptance speech, he said the award was not to him as a man, but to his work, "— a life's work in the agony and sweat of the human spirit, not for glory and least of all for profit, but to create out of the materials of the human spirit something which did not exist before." They're the words of an artist, a wordsmith himself, but they also apply to the lives of professional educators — people who have carved out careers shaping today's teenagers, tomorrow's adults. It is to five such laborers that we dedicate the 2001 Panther yearbook. After 120 years of combined service to Pascagoula High School, they are transitioning to another season in their lives. They have each exhibited a rare sense of duty and an uncommonly high level of dedication to their work. Mere "thank-you's" seem inadequate; in fact, considering the context of their service , this yearbook dedication also seems insufficient — but it's what we have to offer. And we do it with deepest gratitude and praise. For just as Faulkner said, these five servants have "created out of the materials of the human spirit something which did not exist before" — educated, enlightened minds — thousands of them.

Junior Civitan has been extremely busy this year, especially because our club joined the Mississippi Magnolia district. We are basically a service club for the school and community. Each month, we do at least one project including: collecting kleenex for teachers, making candy turkeys for the Community Work Center, decorating the school Christmas tree, giving snacks to the coaches at the football game, helping with a Christmas party for the Singing River Industries clients, and making Valentine's for the nursing home. It really has been a wonderful and productive year.

The PANTHER PEN informs and entertains its readers and makes an effort to include all students, faculty, and staff. The newspaper staff struggled to produce a paper this year without a class designated for newspaper production during the first semester which meant the staff, especially the editor, had to meet before or after school or work at home (receiving no credit). Ms. Green, the new advisor, learned the newspaper trade using modern technology as opposed to manual layout. Though it was a struggle, we survived. We thank you for bearing with us and hope we achieved our goal of making the PANTHER PEN worth the time you took to read each issue. — the PANTHER PEN staff

Future Business Leaders of America is an organization which invovles preparing our students for the business world. FBLA offers opportunities for travel, leadership training, community service activities, and scholarships. Pascagoula High School's FBLA has been involved in many community and service activities this year such as a Scavenger hunt canned food drive to collect canned food for the Salvation Army at Thanksgiving , adopt an angel for Christmas, and job shadowing, where students "shadowed" an employee in a position they were considering pursuing for a career. This allowed the student to actually see "real-life"' work in action. Also, FBLA members attended a fall Leadership Conference in November where seminars were offered on communication, community, and scholarships. Three students placed in district competition in February. Khan Tran placed first in business Procedures. Brandy Richardos placed first in Word Processing II, and Magon Tubbs placed second in job interview. In April these three students will compete at the State conference. Those who place first or second in State will go to compete at the National Conference in Orlando in July.

Pascagoula High School's Beta Club Chapter was very busy this year. As is traditional, our chapter attended the state Beta Convention at the Mississippi Coast Coliseum in Biloxi. Every year, PHS nominates a candidate for state office. This year we nominated Mary Etta Jones for state Treasurer. Mary Etta won, winning from a field of about half a dozen others from all over Mississippi. Meanwhile, The National Beta Club has selected helping the elderly as our national service project. As a part, PHS Beta Club visited area nursing homes at Christmas, Mardi Gras, and Valentine's Day. Club members distributed cards, favors, and at Christmas we went caroling. At the end of the year, PHS Beta Club sponsored Teacher Appreciation Week. We sponsored a plant drawing, continental breakfast, and candy in the lounges. Beta Club also grew tremendously this year, swelling to more than 200 members. I hope that all of the members of the Pascagoula High School Chapter of the National Beta Club had as much fun participating in club activities as I did leading the club.

— Martin Bartlett; President, Class of 2001.

The purpose of the Jr. Beta Club is to encourage effort, reward merit, and to promote those qualities of character that make for a good citizen. Pascagoula High School's Jr. Beta Club currently has 55 members, including six officers. Mrs. Miller is the Jr. Beta Club sponsor. The mission of the Jr. Beta Club is to serve our school, community, and those who are in need. A few of the Jr. Beta Club's projects are going to Bay Towers on different holidays and making Valentine cups for different children in the community. Club meetings are held every first, third, and fifth Wednesdays of each month, where we discuss upcoming events and projects.

SCHOLARS BOWL

The bowlers' big win!!

Ian and Ashley think over a question.

The "Brain Trust" practices for a big meet.

Again this year the PHS Scholars Bowl team was successful in regular season play. Seniors: Paul Wilson, Nathan Huntwork and Martin Bartlett returned from last year's team. Justin Strickler and Albert Scovel alternated playing in the fourth position. The team competed against about a dozen other high schools from Jackson, Harrison and Hancock Counties. This year the team welcomed the others to Pascagoula High School for the last match of the year. Also, the team traveled to Oxford for the second consecutive year to compete in the Mississippi Academic Invitational Tournament hosted by Ole Miss. Huntwork, Wilson, Bartlett and Strickler took the team to Mississippi Beta Club Convention in Biloxi where the team came in second place among dozens of other teams from all across the state.

NATIONAL HONOR SOCIETY

National Honor Society is a service club. During the 2000–2001 school year, NHS completed a number of community service projects every month. These services include: visits to the hospital, donating money to charitable organizations, planning a mini-carnival at Bethel Academy, and helping promote Christmas spirit by adopting an angel from the Christmas tree. The annual state project is Easter seals, an organization that devotes its time to help physically handicapped individuals. Each year the club raises money to donate to this cause. This year the club participated in a candy sale. The club also attends the state convention each year. At this convention, state officers are elected for the following year and other NHS members around the state are met. The 2000–2001 school year has been an excellent time for the National Honor Society thanks to Mrs. Makamson and Mrs. Moore as well as the officers.

Student Council is one of the most active clubs at Pascagoula High School. It consists of nine members from each class, and meetings are held every Monday morning. Each year, Student Council sponsors many different school and community activities. Homecoming was a hit, and students were encouraged to show their pride during the numerous spirit days. The two American Red Cross Blood Drives were also very successful, and Pascagoula High School has been rated as one of the top blood collectors on the coast. Student Council also sponsors Almost Anything Goes, Data Match, and the Christmas canned food drive. Thanks to the hard work of the sponsors, the leadership of the officers, and the cooperation of the administrators, the 2000-2001 school year has been one of the most succesful in history.

I like working in the cafeteria because it gives me the opportunity to meet and talk to the students one-on-one and to know them by name. It also gives me an opportunity to provide each student with a well-balanced meal. When I first started working in the cafeteria, my son was in the first grade. Now he's a college graduate working in Jackson for the past five years. — Mrs. Parker, Cafeteria Manager

Pascagoula's tennis team was a great success this year. With a varsity team complete with returning members, it swept several victories across the coast. Champions of the district, PHS's tennis team went to the MHSAA state tournament in May. Seniors Charlotte Heidelberg, Austin Howell, and Matt McElhaney are valuable assets and will be missed greatly next year. Marion Warfield c/o 2002

Girl's Volleyball-2000
The Varsity team finished the year with a 3 win -11 loss season. The record doesn't show the hard work put in by each young lady. A lot of matches were close all season. The team had a lot of desire and played hard.

The J.V. team finished the year with a 10 win- 4 loss season. The girl's learned the new system quickly. They worked together as a team and were very aggresive.

The 2000-2001 soccer season has been a successful one for the Panther boys. Under the leadership of eleven seniors, the boys posted one of the most impressive records in Panther history. The Panthers started the year tying the two time state champs, Saint Stanislaus. The Panther's season then escalated with a 3-1 victory over Gulfport. This win propelled the boys to a regular season winning streak that did not end until deep into the last half of the season. In district play the Panthers surged ahead with three wins and only one setback. Looking for a state title, the boys will travel to Brandon to face the first round of the state playoffs.

Pascagoula High School 2000-2001 Boys Basketball

The 2000-2001 PHS Boys Basketball team enjoyed one the best seasons in school history.
The Panthers finished the season with a 21 wins and 10 loss record..
They were ranked in the AP Clarion Ledger and the Sun Herald prep polls Top Ten all season long.
The Panthers were the regular season Champions of Division 7-5A and
also won the tournament championships at the Gulfport Holiday Classic,
The Shaw High Tip-Off Tournament, The Barnyard Classic in Pensacola, and the Fairhope Holiday Tournament.
The Panthers will miss the eight seniors from the 2001 team,
but the future should be bright with many talented juniors and sophomores,
who should be ready to lead next year.

The 2000-2001 Lady Panthers Basketball Team had an exciting season filled with high and low points . The Lady Panthers were competitive with all the teams we played against. I think we improved throughout the season and I think the future of girls basketball at PHS is bright with the expected return of eight players. Our three seniors will be missed, however: Delilah Preyear, Tiffany Tribble, and Stacey Vaughn. I have truly enjoyed my first year at Pascagoula High School and I'm looking forward to next year. I would like to thank Coach Don Clinton for all his hard work this year.

The 2001 Pascagoula High School softball team enjoyed a very successful year. During the regular season, the Lady Panthers posted a 25-2 record earning several key victories over area rivals East Central and Gautier as well as defeating district opponents Moss Point and Ocean Springs to claim first place in district 75-A play. PHS had three tournament victories in Clarksdale, D'Iberville, and their own PHS Classic. In post-season action, Pascagoula remained undefeated within the State of Mississippi on their way to the state championship series. Victories over Gulfport, Harrison Central, and Northwest Rankin earned the Lady Panthers the titles of Region 8 and South State Champs. During the final series, Pascagoula suffered their first post-season loss to defending state champs Southaven before battling back to claim the 2001 5-A Fast-pitch Softball State Championship Title.

Coach Johnny Olsen

The 2001 P-NS baseball season proved to be a successful campaign. After the loss of eight seniors to graduation, this year's team had several big positions to fill. Led by this years seniors: Timothy Jones,Salvador Aleman, Justin Rayborn,Kyle Mitchell and Bernard Williams, the team finished with a 23-13 record, a first place finish in the district and advanced to the second round of the state playoffs against rival Hattiesburg. The team played extremely well but came up short losing 6-3 and 4-3. Several players received post season honors. Timothy Jones and Bernard Williams were selected to play in the Coast All-Star game and the statewide Crossroads Diamond Club All-Star game to be played at Southern Mississippi. Timothy Jones, Bernard Williams,Salvador Aleman,Justin Rayborn, Dustin Shepherd, and Micheal Dunn made the District 7 all-division team. Bernard Williams signed a scholarship with Mississippi Gulf Coast. Timothy Jones and Justin Rayborn signed with Meridian Community College. Salvador Aleman received the Glenn—Kirkpatrick Baseball Scholarship.

You can't always get what you want.

But, if you try sometimes,
you just might find,

You get what you need!

All our love!

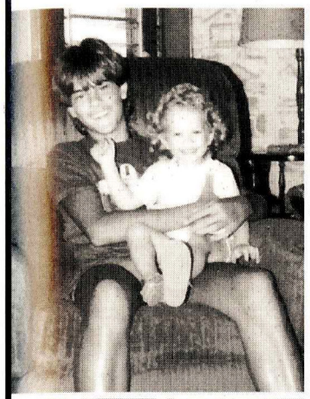
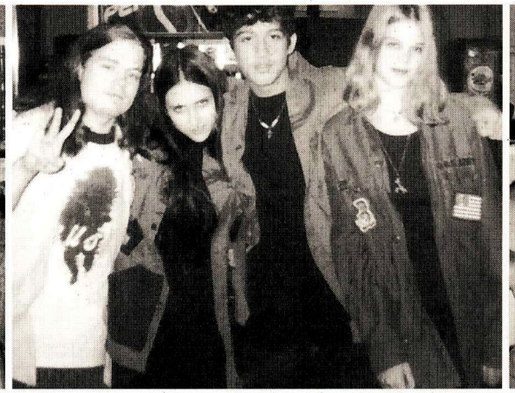
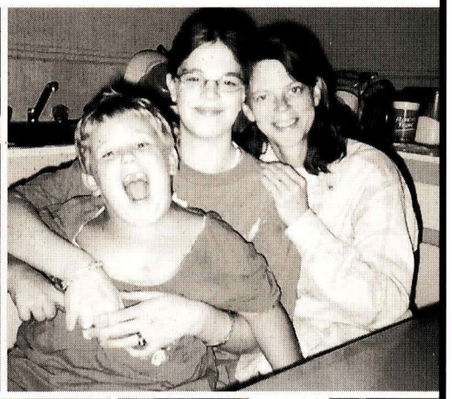
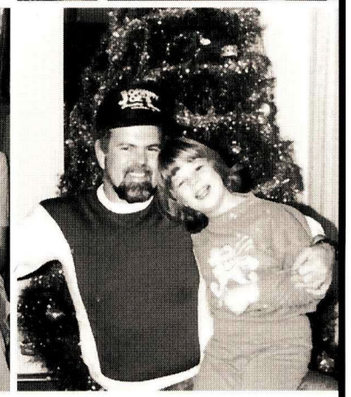
Sara,

Once again, your success has made me a very proud Dad. Graduating from high school is a wonderful accomplishment. Graduation opens many new doors for you, all of which provide opportunities to reach your highest goals. I know you will do the very best you can. You have shown, through the years that your determination, independence, concern for others, and loving nature always pulled you through. Even though you live in a not so perfect world, you have developed into a shining example of a beautiful young lady. As you continue on, know that you are loved by your whole family. Keep on Rockin' n Rollin". Congratulations! Love You Very Much! DAD









Sara,

Even though you have not decided exactly where you want to go in life from here, there is no doubt in my mind, that when you get there, you will succeed! I could not be more proud of you. The outlook you have on life will take you far. I have watched you weather the many ups and downs life has handed you, and become a better person with each passing year. Go after your dreams, whatever they may be, and I will be behind you and beside you all the way! With all my Love & Prayers, MS LOL

The time has come when all of your childhood and teenage memories will turn into experiences and lessons learned that will guide you into adulthood. We remember the first time that we held you in our arms. It seems like it was only yesterday. We wondered then how we would be able to let go of you long enough for you to start school. Well, it soon happened. That day came, and reality set in. You became a student and began experiencing new things outside our home. It was exciting to share them with you. You were always so cheerful. Years passed and it was time for a new experience, ior high. It was then that you began to take ew responsibilities that that would ultimately engthen your independence. Time went on nd you were prepared to enter high school. hese last few years have provided you with y challenges, which you faced head on. You have proven to be a role model and an spiration. Here again reality sets in and we ave to let you move forward for those new hallenges. We have confidence that if you continue to let God lead you in the right rection and remember that your family loves u and will be there for you everything will be fine.

CONGRATULATIONS!

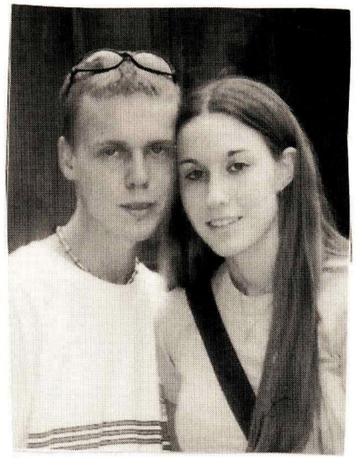
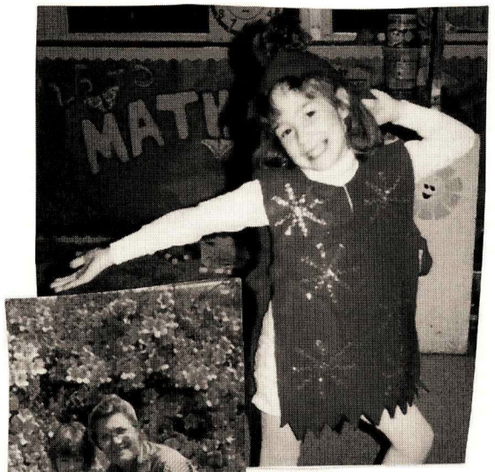
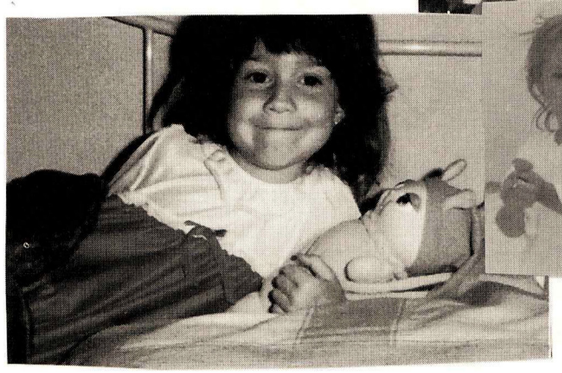
Angel, you are a true inspiration. You are living proof that no matter what life throws our way, we can defy statistics. At a young age, you set your goals of education, and stuck to it. I admire your determination and accomplishments. I know you will meet your life long goals.

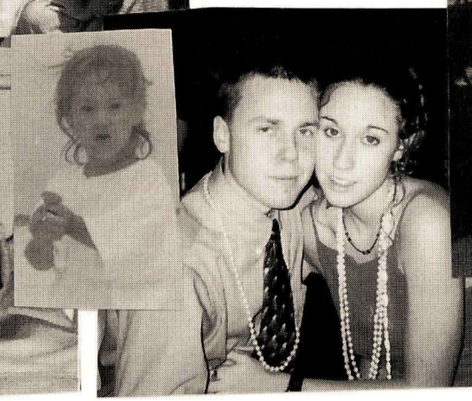
You are a great gift giver, showing your thoughtfulness and caring for others. I am so proud and feel very lucky that you are mine. You are responsible and dependable, and have been a rock in my life. Always remember, no matter what, you are my Angel and I love you. The obstacles we have faced together, and those you thought you faced alone made us strong, while at the time, they seem to break our spirits. Please know you were never alone, and never will be. No matter what, I will always be there for you. I will fight for your cause, forever.

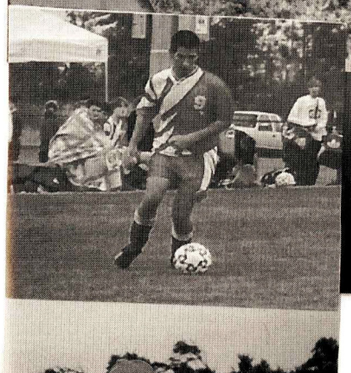
I Love You, Mom.

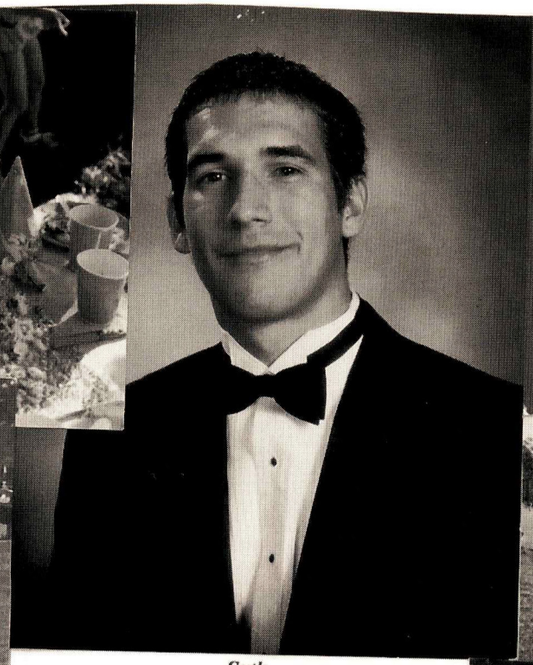


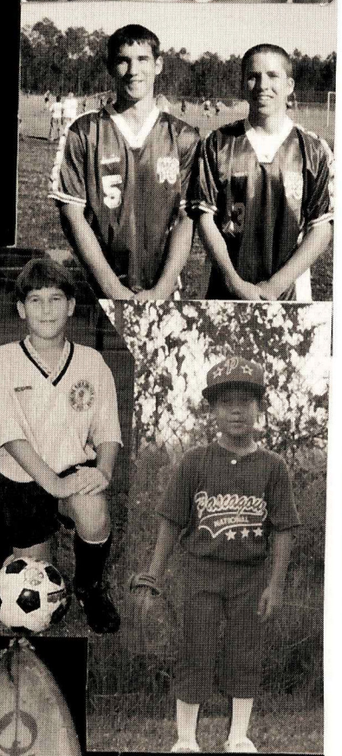












Seth,

We are so very proud of the young man that you have become. Watching you grow through the years have given us such great pleasure. Brandon,
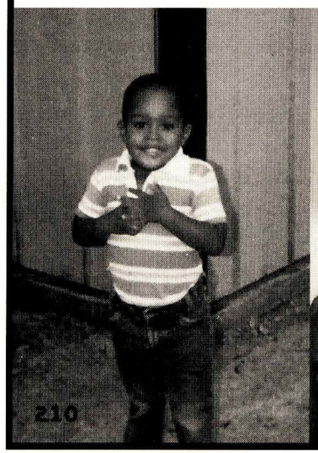
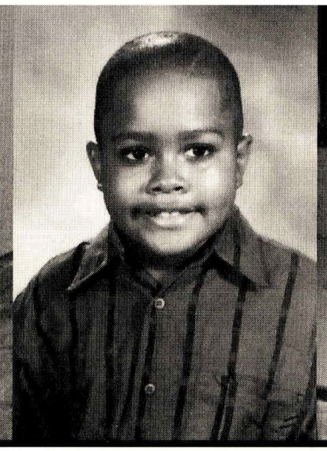
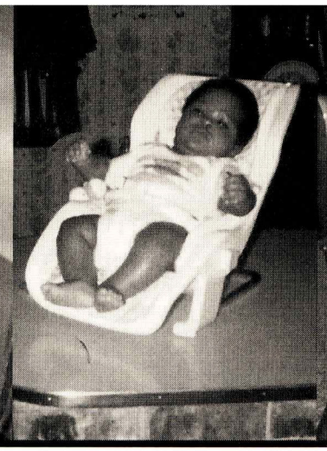
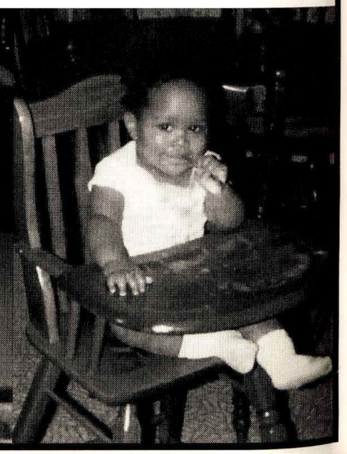
Just because things changed these last few years, take it as a learning experience. You have been a wonderful student the entire thirteen years and I commend you for the way you handled the adversities. Don't change your adorable personality, because it is so unique these days. Those who know you personally without the smoke screen that others around you can cause can clearly see your true personality. Continue to be yourself no matter what because you can do all things through Christ who strengthens you Phillippians 4:13. May God bless you richly and congratulations on a job well done!

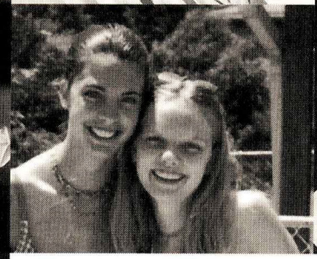
Love, Your Family

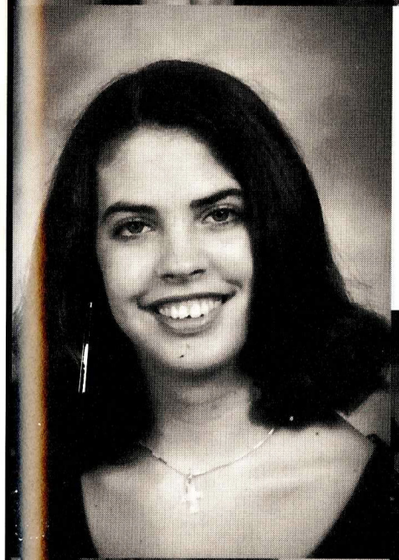












Kala, You were a beautiful baby and have grown into a lovely young lady. We will miss the little girl but are very proud of the young lady you have become. You have had many struggles and disappointments in your life and that will not change, as you grow older. But if you keep God close in your heart you will always be able to conquer anything life throws your way. Always remember that friends are very important but God and family will never forsake you and will always be there for you. We are very proud of you and love you so very much. Now go out and give this new life you will venture into the best you have to give.

Mmmm, Phosphates. Good And Good For You.

:y're in the soup, they're in the noodles, they're probably in the shirt you're wearing. In fact, at one point or ther, they're in every living thing on earth. They're phosphates, and we use them to help make lots of important ıgs right here in Pascagoula. Like phosphate fertilizer which is used to grow crops all over world. Pretty tasty, huh? Mississippi Phosphates. A part of Pascagoula, a part of you.
